Alzheimer's Disease: The Latest in Treatment With Anti-Amyloid Therapies

Lealani Mae Acosta, MD, MPH
Associate Professor of Neurology, Vanderbilt University Medical Center

Recent developments in the treatment of Alzheimer's disease have captured the interest of clinicians, patients and families because of the novel mechanism by which these drugs work. In reviewing the history of these new anti-amyloid therapies (AATs), we can better understand how these drugs work. In this presentation, we will discuss FDA-approved AATs for Alzheimer's disease, including what makes patients eligible for these drugs, the logistics of how these drugs are administered, potential side effects, and weighing the risks and benefits of initiating and maintaining these therapies.

Following this presentation, the participant will be able to:

- Identify and contrast the forms of how AATs are administered.
- Compare and contrast the dosing regimens of AATs.
- Describe the risks and benefits to patients.
- Recognize the logistics of patient eligibility.

The Brookdale Continuing Education (CE) Series is a pre-recorded webcast. • This program was submitted for approval to the following governing bodies and their required pre-approval statements listed below. The program is approved for CE credit when presented in the month listed. • Email cesupport@brookdale.com for more information about contact hours. • This activity is pending approval for social work credit. • This program has been submitted to The Commission for Case Manager Certification for approval to provide board certified case managers with 1.0 hour. • Brookdale Senior Living Inc. is recognized by the New York State Education Department's State Board for Social Work as an approved provider of continuing education for licensed social workers #0221. • This activity has been submitted to Emergency Nurses Association for approval to award contact hours. Emergency Nurses Association is accredited as an approver of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation. Pending Approval for 1.0 CMC CEs from NACCM.
